ABOUT US

Since our formation in 2019 we developed into a leading pan-African market advisory firm, supporting our clients from the conception of their expansion plan, to achieving their market entry and beyond.

We operate at the nexus of industry and government and believe in business opportunities not in theory.

MARKET COVERAGE

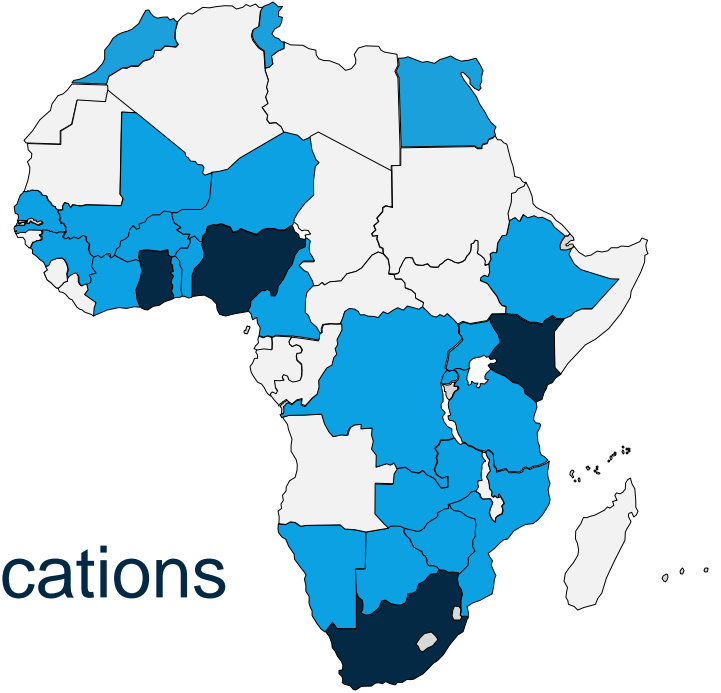

We have successfully executed projects in 26 countries on the African continent.

Every year our teams work in 15 markets on average.

From Cape Town to Cairo. From Dar es Salaam to Dakar, our quality assurance system ensures that every project delivered is of the highest standard.
